

# ON THE GO FIRST AID KITS

Here are some things to make sure your patients have in an "on the go" first aid kit.

1

Copy of their dog's current health records with your phone number with it.

2

Gauze pads, antibiotic ointment, scissors, cotton balls or swabs, disposable gloves

3

Rectal thermometer, sterile saline solution, ear cleaning solution

4

Antiseptic wipes, powder, lotion, or spray
